It is not necessary to notify NCAA staff of schedule changes; simply sign into your registration using your registration confirmation number and make the adjustment.

- **Session seating.** Seating is available on a first-come, first-served basis.

- **Session materials.** Materials are available on [www.NCAA.org/regionalrules](http://www.NCAA.org/regionalrules) and the event app to review and print approximately two weeks before the seminars. There will be complimentary Wi-Fi access for attendees who wish to access materials onsite. If you wish to print anything, we suggest you do so prior to arriving at the seminars. Please note that there will not be computers or printers available at the seminars to print presentations or handouts. You may use the hotel's business center, although this option would be at your own expense.

All sessions are identified by division and topic area.

Sessions are also categorized to assist attendees based on their experience, expertise and presentation-style preference:

- **Foundational.** A foundational session is one in which the presenter will share entry-level content. These sessions may include a basic overview of legislation, basic case studies, straightforward application of legislation and associated interpretations, and/or an introduction to navigating the academic and membership affairs processes.

- **Foundational Plus.** These sessions may include an intermediate-level overview of specific legislation and associated interpretations, case studies, best practices for interpreting and applying the legislation and associated interpretations, and/or a review of navigating the academic and membership affairs processes. Session attendees should have a basic understanding of fundamental legislation and processes.
Advanced. An advanced session is one in which the presenter will share advanced-level content. These sessions may include a narrow review of specific legislation and associated interpretations (e.g., existence of uncertainty, confusion and high volume of questions and/or misapplication); complex case studies; best practices for interpreting and applying the legislation and associated interpretations; and/or a specific review of navigating the academic and membership affairs processes.

Dialogue. A discussion will be facilitated by staff, and attendee participation is encouraged.
